

Kids Tennis Programs

Academy is for kids who are older than 10 and have not yet started consistently competing in tournaments. We work with these kids on full-size courts using lower-compression **green** balls. More than 70% of program time is spent in live-ball drills (versus standing in a line waiting for someone to feed balls) that teach, build and reinforce good tactics and techniques. Enrollment is on a monthly basis. Fees must be paid on the first day of the month and there is a one time \$25 registration fee. The program runs through Friday, May 25, 2012.

MIDCOURT ACADEMY SCHEDULE AND FEES
